Members' profile development for Careers England website

As part of the our commitment to our members we would like to gather additional 'profile' data

on every Careers England member listed on the 'Our Members' page of our website. This additional data will be added to the website to provide better introductory information on our members and their services/products for potential customers. By completing this form it will also ensure we have the most up to date contact data as possible for each of our members. As such could we please ask you to complete and return this form as soon as possible? Many thanks.

Full Corporate and Affiliate Members
