Brief portrait of your organisation/business (150 words max. please)	<p>Into Film is an education charity that puts film at the heart of children and young people's educational, cultural and personal development.</p> <p>Over half of UK schools engage with our programme of film clubs, special cinema screenings, and resources and training to support classroom teaching. Alongside rich online content for young audiences, this provides 5-19 year olds with unparalleled opportunities to learn about and with film, and develop a passion for cinema.</p> <p>Through our free and extensive film club offer, resources and training we support teachers to work with film in the classroom and bring the curriculum to life, and to put film at the centre of extracurricular activity.</p> <p>Into Film runs two flagship events. The Into Film Festival enables 500,000 children and young people to access the cinema for free. Our annual Into Film Awards ceremony celebrates the filmmaking and learning achievements of pupils from across the UK.</p>
